GENERAL INFORMATION:

- 1. See reverse side of this card for 1-Day/2-Day sequence.
- 2. NOTE: "A" Saturdays are designated A/C for Commandant's Saturday or A/D for Dean's Saturday. The schedule is shown on the reverse side. No new lessons for courses are scheduled for Saturdays. On Commandant's Saturdays (A/C), the primary focus is on military program requirements. No academic requirements should be scheduled without the concurrence of O/Dean, AARS, and approval from O/Commandant (S-3). During Dean's Saturdays (A/D), cadets may be required to attend examinations, lectures, films, seminars, makeup classes, additional instruction, counseling, or other authorized activities. If not scheduled to attend a mandatory activity, this time is reserved for individual study, class preparation, research, or laboratory exercises. No other requirements should be scheduled without the concurrence of O/Dean (AARS). On "B" Saturdays, the above activities may be offered, but cadets may choose to attend on Saturday or during alternate weekday offerings.
- 3. The period following the noon meal on each 1-Day is designated as a Commandant's, or Dean's, or CCEP Hour. No
- activity may be scheduled during this period without prior consultation and concurrence from the respective Directorate.

- 5. The Lab Hours are two-hour, fixed laboratory periods, designated as the R, S, T, U, V or W Lab Hours (see calendar on reverse side). Cadets enrolled in designated courses may be required to attend laboratory exercises during the Lab Hour. If not scheduled to attend a laboratory, this time is reserved for individual study, class preparation, AI, research, counseling, compensatory time, makeup classes or other authorized academic activities.
- 6. Physical Education classes begin and end at times other than those shown above to provide time to shower and change uniforms. Refer to administrative instructions issued by the Department of Physical Education for proper reporting and departure times.
- 7. Cadets having more than one major graded requirement due the same day (more than two requirements for First and Second Class cadets) may request permission to attend an examination on an alternate day. Responsibility for seeking relief rests with the cadet, while the faculty role is one of cooperation in granting permission where reasonably
- *R2/S2/T2 These labs also have a 75minute variation, depicted as R2-75

4. Study Day activities guidelines are found in USMA Reg 1-1, para 4-3.
